CIP UPDATE:

North Main & Auburn Street Roundabout Project

It is anticipated that on June 4th the intersection of N. Main Street and Auburn Street will be completely closed to traffic until June 7th. During the closure, work will occur during night time hours. A detour will be posted.

Drivers are reminded that businesses are open during construction and that the public parking lots are accessible. The public parking lots are located off of Toner Avenue and Latham Place.

Drivers are encouraged to consider alternate routes during the project construction. Drivers are also reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.

The City of Rockford appreciates your patience and cooperation during this project.

US Bus 20 (FAP Rt. 303) – West State Street Sunset Avenue to West of Bridge Over Kent Creek Roadway Reconstruction

West State Street Roadway reconstruction project is underway. West State Street is closed from Kilburn Avenue to Stewart Avenue and Mulberry Street is closed from Kilburn Avenue to Avon Street. A detour is in place. It is anticipated that West State Street will be closed until mid-November 2013. Central Avenue is open to north and southbound traffic only.

US Bus 20 (FAP Rt. 303) – West State Street, Sunset Avenue to west of Bridge over Kent Creek, roadway reconstruction consists of the complete reconstruction and widening of Business Route 20 and the realignment of Jefferson Street. This includes pavement removal, excavation, PCC pavement, HMA pavement, curb and gutter, median, multi-use path and sidewalk construction, storm sewer installation, retaining wall construction, landscaping, street lighting, traffic signal modernization and interconnection, pavement markings, erosion control, maintenance of traffic and all other necessary to complete the improvements.

IDOT will be coordinating with all applicable governmental agencies throughout the project.

US Business Rt. 20 FAP Rt. 303 (W. State St.) Sunset Avenue to Kent Creek Water and Sewer Main Reroute Project

Various water and sewer improvements, as well as paving, will continue until mid-June. Please use extreme caution when driving through the construction area.

Thank you in advance for your cooperation and patience while the City of Rockford makes improvements to the West State Street Corridor.

IL- 2 / South Main Street – Illinois Department of Transportation (IDOT) Roadway Project (Beltline Road to 0.4 Miles North of Harrison Avenue)

IL- 2 / South Main Street – IDOT Roadway Project is underway. The project consists of widening and resurfacing, pavement removal and replacement, adding lanes and a barrier median, curb and gutter, adding a bike path, providing right and left turn lanes, and installing lighting and traffic signals. IDOT will be coordinating with all

applicable governmental agencies throughout the project. The project anticipated completion date is late 2014.

IL-2/South Main Street – Illinois Department of Transportation (IDOT) Roadway Project (South of Pond Street to just North of Cedar Street)

Work is anticipated to begin the week of June 3rd between Pond Street and Knowlton Street with traffic control and pre-stage work. The project consists of pavement removal, excavation, roadway re-alignment, PCC pavement, HMA pavement, curb and gutter, landscaped median, multi-use path and sidewalk construction, storm sewer installation, landscaping, street lighting, traffic signal modernization and interconnection, pavement markings, erosion control, maintenance of traffic and all other necessary items to complete the improvements. The project completion date is late 2014.

IDOT will be coordinating with all applicable governmental agencies throughout the project. The City will relay information as it becomes available.

Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.

Questions regarding these projects should be directed to Jamie Rott in the Public Works Department at (815) 967-6742. Thank you for your consideration.

Morgan Street Bridge Reconstruction

Work on the bridge continued throughout the winter. The structural steel portion of the bridge is now complete. Crews currently are working on bridge abutments on each side of the bridge to tie the new street to the bridge. Work will continue on the project until completion which is scheduled to be December of 2013.

Questions regarding this project should be directed to Martin Ruvolo in the Public Works Department at (815) 987-5570. Thank you for your consideration.

City-Wide Street Repairs Group #1

- 15) Wellesley Road from Latham Street to Muldoon Drive
- 16) Thames Way Drainage at the Intersection of Carefree Drive and Thames Way

For questions concerning these projects, please contact Steven Sumner at 815-967-6743.

Questions regarding these projects should be directed to Steve Sumner in the Public Works Department at (815) 987-5570. Thank you for your consideration.

City-Wide Sidewalk & ADA Repairs Package A-2013

This project consists of select removal and replacement of concrete sidewalk, driveway approach, curb/gutter, also installation of ADA curb ramps, and parkway restoration in several locations within Wards 2nd, 3rd, and 10th; specifically on Brendenwood Road, Burrmont Road, Guilford Road, Highcrest Road, Lundvall Avenue, Paris Avenue, Rural Avenue, Stratford Avenue, Welty Avenue, Winthrop Lane, and East State Street. The areas were selected based on the resident call list and need.

The majority of concrete has been removed and replaced. Complete restoration is expected before the end of May, except for East State Street (between St. Louis Avenue and South Rockford Avenue) where work is scheduled to start this week.

City-Wide Sidewalk & ADA Repairs Package B-2013

This project consists of select removal and replacement of concrete sidewalk, driveway approach, curb/gutter, also installation of ADA curb ramps, and parkway restoration in several locations within Ward 8; specifically on 18th Avenue, 19th Avenue, 25th Street, 26th Street, Beach Street, Colorado Avenue, Connecticut Drive, Dakota Lane, Montana Avenue, Ohio Parkway, Oklahoma Drive, Seward Avenue, and Wyoming Drive. The areas were selected based on the resident call list and need.

Concrete has been removed. Concrete replacement started this week. Complete restoration is expected by the second week in June.

City-Wide Sidewalk & ADA Repairs Package C-2013

This project consists of select removal and replacement of concrete sidewalk, curb/gutter, also installation of ADA curb ramps, and parkway restoration in several location within Wards 3rd, 9th, 13th; specifically on Burton Street, North Court Street, Grant Avenue, Myott Avenue, Ridge Avenue, and Yonge Street. The areas were selected based on the resident call list and need.

Concrete removal is planned for this week. Concrete replacement should start next week. Complete restoration is expected by the first week in June.

Drivers are reminded to obey work zone speed limits and to stay alert for workers, when driving through the construction zone.

Questions regarding these projects should be directed to Omar Santos in the Public Works Department at (815) 987-5579. Thank you for your consideration.
